TO: Chapter Newsletter Editors
SUBJECT: INFORMATION ON 1988 SUMMER INSTITUTES

Enclosed is complete information on the 1988 Summer Institutes, sponsored by the Association, under the direction of our Committee on Education. This is being sent to all members and will also be reproduced, in full, in the February, 1988 Association Newsletter.

We will appreciate it if you will bring the 1988 Summer Institutes to the attention of your Chapter members. I realize that all this copy is too much to include in your Newsletter, but it should help you to prepare a general article, describing the basics of all three Institutes. Interested Chapter members need to send in applications by March 15, 1988, and extra copies of the mailing are available by contacting the Chicago Headquarters.

Chapter members who are not members of the Association can apply, but they will not be accepted for an Institute until Association members have been taken care of first. There have been openings in the past for others, so we do not want to discourage non-AALL members from applying.

Any assistance you can give to promote the 1988 Summer Institutes will be greatly appreciated. The Institutes will provide excellent educational opportunities, and we want to be sure that everyone is aware of them.

Cordially yours,

WILLIAM H. JEPSON
Executive Director
